STEP #2 Sort

Keep | Toss | Sell

After you gather your items, you will do a quick sort. It's okay to **KEEP** the items that you aren't ready to part with yet. **TOSS** the items that are too well-loved (stains, missing pieces, or are not working). And then **SELL** the rest.

SELL the items that meet these requirements:

CLEAN

The newer it looks, the better it sells. Clean all items thoroughly. Check carefully for stains and holes in clothing.

CURRENT

Sell your warm-weather clothing and shoes at our Spring/Summer sale. Sell cold-weather items at our Fall/Winter sale. Clothes should be less than 5 years old.

COMPLETE

Be sure you have all of the parts & pieces for your items. Check the website for the most current "Unacceptable Item" policy. This is a small fee for items that don't meet JBF standards and get pulled from the sales floor.

COMPLIANT

Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at **jbfsale.com**.

Safety Waivers Required for all Cribs & Car Seats

STEP #3 Price

Shopper-Focused Pricing

Ask yourself... "What price would make me buy this item, without hesitating, and brag about it to my friends?"

Retail Price	JBF Clothing Price	Pricing Non-Clothing Items

Bundle Items to Save Time

Put an outfit together, or a create a set of same-size items. Bundles are great for tshirts, onesies, socks, tights and toys. Shoppers love it, and you only have to create one JBF tag!

*Suggested \$3 min on clothing tags. Bundle when needed.

TIP! Talk-to-Text

If you're entering tags on your mobile device, use talk-to-text.
Easy & fast.

Print Your Tags

Print on 8.5"x11" white cardstock. They print 9 per page.

STEP #4 *Prep*

Preparing Your Items & Attaching Tags

Now that your JBF tags are printed, cut them apart and sort them by gender, type and size to make this step go faster.

Gather these supplies to make your prep faster:

- hangers
- ziploc bags
- ribbon/string
- zip-ties
- packing tape & painter's tape
- Saran wrap
- scissors
- safety pins or tagging gun
- hole-punch

TOYS & GEAR

Important:

- The tag needs to be attached securely so they won't fall off
- All of the pieces need to be secured together so they won't separate
- Bags need to be taped closed
- Make multiple tags when necessary - 1 of 3, 2 of 3, 3 of 3

STEP #4 *Prep*

CLOTHING

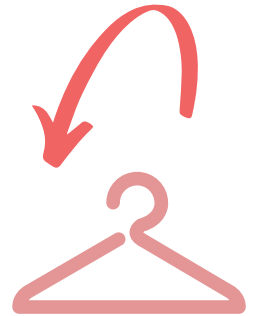

Hanging & Tagging Clothing

Put all clothing on a hanger. Attach JBF tag with safety pin or tagging gun.

Hanger Direction

Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to front of item.

Creating Outfits

Bundle items into sets.
Secure pieces to hanger using safety pins and then zip-tie hangers tightly together so outfit remains together as a set.

Tagging Gun

If you use a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric.

STEP #4 *Prep*

Blankets and bedding

Swaddlers will be in the Bedding section in tubs per their material (cotton, flannel, muslim). All blankets will be in individual tubs, as well. Sleep sacks will be hung in the clothing size.

Accessories

Use clear bags to bundle sets of socks, tights, hair accessories, and infant mittens. Display neatly so shopper can see well. Place JBF tag inside and tape bag closed.

Hats

Simply attach JBF tag to hats using a safety pin or tagging gun. No need to use a bag. Hats will be hung with provided clips.

Hanging Multiple Items on a Hanger

Multiple items—that are all the same size— can be hung on a single hanger. Use a safety pin or tagging gun fastener (through a sturdy waistline) to attach pants/skirts to hangers.

*Do not hang more than two shirts on the same hanger, unless using a pant hanger. The weight is too much.
